LEGISLATIVE COUNSEL'S DIGEST

SB 25, as amended, ~~Battin~~ *Ackerman*. ~~State property: surplus Political Reform Act of 1974.~~

~~Existing law requires the Department of General Services to perform various functions and duties with respect to state property.~~

~~This bill would authorize the Director of General Services and the Director of the Department of Transportation to sell, exchange, lease, or transfer specified parcels of state property. The bill would exempt the sale, exchange, lease, or transfer of the parcels from specified provisions of the California Environmental Quality Act. This bill would require that the net proceeds of property sold by the Director of General Services be deposited in the General Fund and would require the reservation of mineral rights, as specified. The bill would require that the proceeds of any property disposition by the Director of Transportation be deposited into the State Highway Account.~~

~~The bill would also delete and revise provisions relating to specified authorizations to sell, exchange, lease, or transfer state surplus property.~~

*(1) Existing provisions of the Political Reform Act of 1974 require a candidate for elective office to establish a campaign contribution account in a financial institution within this state, into which all contributions shall be deposited, except as specified. The act provides that all contributions deposited into the campaign account shall be deemed held in trust for expenses associated with election of the candidate or for expenses associated with holding office.*

*This bill would require that a contribution solicited in writing by a candidate for elective state office or his or her committee identify the candidate or committee soliciting the contribution or the specific term of elective state office for which the contribution is being solicited, or both, and if any contribution is received in response to that written solicitation, it shall be rebuttably presumed to be made to that candidate or committee or for that specific term. It would state that this provision is declaratory of existing law.*

*(2) Existing provisions of the act require certain candidates and committees to file campaign statements in connection with a statewide direct primary election held in March, as well as in June, of an even-numbered year, as specified. State law, effective January 1, 2005, requires that the statewide primary election be held in June of an even-numbered year (Ch. 817, Stats. 2004).*

*This bill would repeal provisions of the act requiring the filing of campaign statements in connection with a statewide direct primary election held in March of an even-numbered year.*

*(3) Existing law makes a violation of the act subject to administrative, civil, and criminal penalties.*

*This bill would impose a state-mandated local program by imposing these penalties on persons who violate certain provisions of this bill.*

*(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that no reimbursement is required by this act for a specified reason.*

*(5) The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's*

*purposes with a  $\frac{2}{3}$  vote of each house and compliance with specified procedural requirements.*

*This bill, which would declare that it furthers the purposes of the act, would therefore require a  $\frac{2}{3}$  vote.*

Vote: ~~majority~~ <sup>$\frac{2}{3}$</sup> . Appropriation: no. Fiscal committee: yes.  
State-mandated local program: ~~no~~<sup>yes</sup>.
